Nate,

This email was forwarded to us from one of the companies who is interested in bidding on the Congresswoman's project on Sepulveda.

This means that the bid review will be moved back by at least a month or more and the construction schedule will be delayed AGAIN.

I had a gut feeling that we were treading on thin ice when we were told and accepted Vahik's project schedule at our last meeting.

Should be soon. In about two to three weeks.

Thanks,

Vahik

Vahik,

Do you know when this project is coming out to bid?
